
CRS800 TECHNICAL DATA SHEET

GENERAL DESCRIPTION

CRS801 eliminates the problems caused by screen mesh contaminants on all types of fabric. It safely controls water hardness, cleans all unwanted residue left on the mesh, and creates a powerful "sheeting" action that reduces pinholes and adhesion problems.

* Use concentrated or diluted, up to 1 part product to 10 parts water.

ADVANTAGES

- Can be used on new or used fabric of all types and sizes.
- Can be used with soft or hard water conditions.
- Contains no VOC.
- Non-hazardous.
- Biodegradable.
- Drain safe.

APPLICATION

STEP 1: All ink and emulsion residues must be completely removed.

STEP 2: Spray or apply manually to both sides of the screen. Brush or scrub product into the fabric.

STEP 3: Rinse thoroughly with water.

**** ALWAYS READ THE MATERIAL SAFETY DATA SHEET ****
